Letter of Recommendation

To whom it may concern:

It is with much enthusiasm that I am writing this letter to recommend the services of the Weatherskin Corporation.

Not only do they manufacture outstanding products, but they also do an excellent job, are always punctual, and offer the most competitive rates in town.

They did epoxy flooring at our warehouse as well as the coating of a retaining wall. Everything looked good and the job was done on time.

We have also recommended them on occasion to our partners and customers. There is always good feedback.

I am happy to recommend the services of Weatherskin. If you have any questions, please feel free to contact me.

Sincerely,

Maxim Kryuchkovskyy,
CEO
